The Wag

Dearest Joe,

I am honestly say that you are the sweetest, best looking and most talented boy I have ever known, and I have known you for many long years. Yes, I have known you since we use to ride high to a gravhayse. Do you remember how we used to play "cowboy and Indian" when the older girls and boys came we would start them in a chalnut fight. Then when we got a little older. We were sweethearts and our initials are still in the cement behind my house. Then we had many good times out at the Stevens that I shall never forget. They were the good old days. Since then we have always been the best of friends.

Joe, you have personality and talent that you haven't thought about using. I don't have to wish you success because a boy like you is always on top wherever you go. A boy as swell as you are just can't help but have friends all over the place.

Sweets, wherever you are after this year don't ever forget your ever loving Mary Lou because it's a sure cinch that I won't forget you. I almost forgot something. don't ever forget the night at the ball game when you and I went for a tour of the building, and the lunch room.

Be good Joe and always remember I love you.

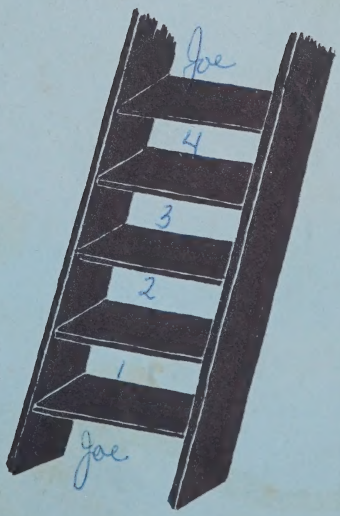
Love, kisses, & tongues
Mary Lou

Joe Hyatt
Senior 52-53

Joe,

you are the ugliest boy I have ever known. You can't sing or dance. I hope I forget about you when I grow up. You sure are mean!

Love,
Martha



We build the ladder by which we rise.

Joe,

I can truly say that I have really enjoyed going to school & playing sports with you. Joe you are one of my best friends & we have had many good times together. Even though our High School days are about over, I am looking forward when we go to Florida to go to school & playing together again. Joe I can say that you are one of the best ballplayers to ever play for B.H.S. I hope that you have as much success in Florida as you had in B.H.S. & I'm sure you will if you just want to. As I said I am looking forward to going to college with you & I hope we will always be the best of friends.

Best of luck in all you do.

A pal always.

FOREWORD

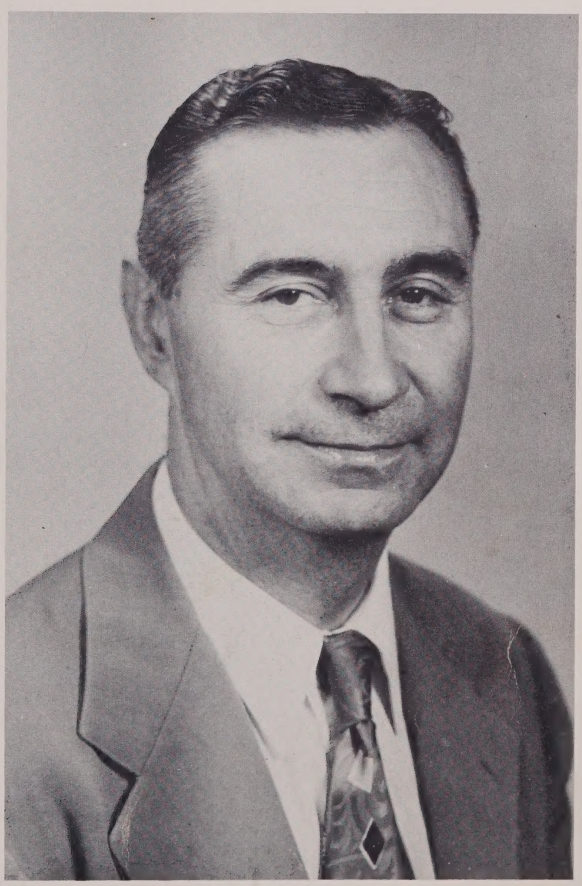
The purpose of the WAG is to keep alive the memories of experiences and friendship acquired throughout our school years.

The Wag Staff has tried to carry out the theme of a ladder in this year's annual. We believe our years here at Graham High School are an endeavor to reach the top in athletics, scholarship, and character.

We, the senior class, sincerely wish that all who follow in our steps will find their years at Graham High as happy and as successful as ours have been.

We have attempted to carry with this WAG a message to enable us to recall in years to come the wonderful days of 1952 and 1953.

DEDICATION



With respect and sincere appreciation, we, the senior class of 1953, dedicate the WAG to Mr. R. L. Hill for his faithful service and friendly interest in our school and community.

Your top rung at W.H.S. is no question mark
The taller and the stronger
Now-days
you build your ladder the greater your span
of Reach and Service — I'll be betting
Best to you Boy and be good
on you —

R. L. Hill.

ADMINISTRATION

THEY BUILD THE FOUNDATION FOR OUR EDUCATION

A large portion of the credit for our new Graham High School should go to our school board consisting of chairman Mr. Hal Farrell, Rev. Eugene Hancock, Mr. Myron Rhyne, and Mr. Griffin McClure. They have worked together to help solve the many problems that have arisen since we moved into our new building last year. Dr. W. G. Goley was absent when the picture was taken.

Working to secure the best educational program for Graham High School are our two principals-Mr. C. R. Benson, High School principal, and Mr. N. G. Bryan, District principal. Through their leadership and guidance the school has grown and improved in many ways.

IN MEMORIAM

BETTY LAVERNE KIMREY

Born 1934 Died 1952

"Yea, though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me."

Needless to say that no one can take her place,
For she leaves a memory that time cannot erase.

CLASS PROPHECY

As the graduating class of 1953 slowly traveled up the ladder which led to success, we experienced many hardships and trials. As 1963 came into view and we finally reached the top, we realized that our struggles to achieve acclaim were worthwhile.

As we looked back down the ladder, we saw our classmates starting out in their chosen careers.

Richard James is now the owner of an airport with Tommy Fogleman as the instructor, teaching beautiful women the art of flying. Bud Lineberry, as usual, is still loafing around playing pro football. Chief-nurse of High Point Memorial Hospital is Joyce Creef. Her assistants are Patsy Isley, Betty Ann Burch, and Frances Albright. Betsy Kirkman and Greta Jones are on their way to Holly wood to visit their old flame, Joe Holt, the handsome movie idol of millions.

The big-wheels of Graham seem to be Bill King, a big stock holder in his father's mill; James Michels, the well-known optometrist; Cecil Moser, the owner of a chain of Home Appliance Stores. The former Betty Rudd works in a bank-a fact which makes it easy to support her husband, Charles Belcher. David Michael has returned from his first important jet mission, bombing Moscow. Thomas James and his co-worker, Becky Stuckey, have just completed a new unabridged Geometry book. Jane Wrike's talking ability has gotten her elected as Graham's first woman Mayor.

Allen Jarmon, Democrat President of the United States, is spending a month's vacation at his log cabin estate on the banks of the beautiful Alamance Creek. Flash! John Layton and James Austin have just been voted the World's Best Comedians. They have taken the place of Amos and Andy.

Mrs. Pat Bradshaw, the former Pat Seamon, is always borrowing sugar from her neighbor, Mrs. Dorothy Lee, the former Dorothy Bayliff. Bill Ray is now the owner and manager of the new and modern Ford Motor Company. Phillip Davis, who took over his father's business, is now the owner of Graham's swankiest restaurant, The Silver Coach. An unusual thing about Mary Lou Okey, now a voice teacher, is that all her pupils are males. Wonder what the interest is--the voice or the beauty?? Professors Coy Thompson and Roger Webster are now directors of the Chemistry Department at Carolina.

Creamy News: Tommy Ray, Harold Campbell, Glen Thomas, and Bobby Moore have more cows on their dairy farms than Carter has little liver pills. After being successful secretaries for five years, Martha Sue Guthrie, Betty Jean Sharpe, and Patsy King Dancey have opened a secretarial school to teach others the trade.

Attention: All ladies with straight and stringy hair just see Bill Lashley. He has the answer to your problem--a Toni Home Permanent.

Dr. Jerry D. Kivett, famous psychiatrist, is vacationing in Hawaii on his yacht. John Andrews just won the Congressional Medal of Honor for bravery beyond the call of duty in Korea. Pete Core has become a "tubby for a hubby" for a nice girl. They say that Clifford McCauley is making a big success as a husband. Betsy McVey, nurse at Duke's Hospital, is engaged to Dr. Arnold Shivosky, the famous surgeon from Czechoslovakia.

Billie Faye Welch, Betty Joyce Burch, and Polly Sykes are always busy-caring for their 15 children. Agatha Russell and Frankie Blackwelder just sailed for Haiti where they will serve as missionaries for six years. Virginia Moore is an X-Ray technician at Graham City Hospital. John Wooten is now serving as Lieutenant Governor of our state.

Marie Sides, world known designer from New York, is now visiting her home town, Graham. Winston Drummond and Bill Fincher, the famous car dealers, have just received the new England Fleeter, which they helped design.

ACTIVITIES

To Virginia Moore, Editor-in-Chief, and Mrs. Vance Latta, Faculty Advisor, goes the credit for the layout and completion of our 1953 WAG. These two have given their time and effort in directing a new and better yearbook.

We had a good time in St. Pat. class last year, didn't we? I've missed teaching you seniors this year. Latta Mrs.

Before the details of the WAG were worked out, various decisions had to be made about the dedication, theme, color, cover, superlatives, and many other things. Each page of the WAG has been designed to carry with it a message to help us recall our glorious high school days.

RECORDING THE LADDER

Playing a big part in the success of the WAG are John Andrews, Boys' Sports Editor; Agatha Russell, Girls' Sports Editor; James Michels, Photography Editor; and Greta Jones, Typist.

Pat Seamon, Typist; Frances Blackwelder, Business Manager; and Mary C. Wrike, Assistant Business Manager, are busily typing and sorting material to be used in the senior section.

STAFF

The purpose of the WAG Staff is to compose an annual which will always be treasured by the students of Graham High. Into the make-up of this book goes the hard work of the staff members and the guidance of our advisor. Many hours must be spent on details such as making picture schedules, planning poses for pictures, choosing quotations for seniors, and selecting titles for the different clubs.

After returning from selling ads, Jane Wrike, Advertising Manager, and Gene Goley, Assistant Advertising Manager, have the job of checking their sales.

RUNGS EACH YEARS

Marjorie Brewer, Assistant Editor, purchases her annual from Dorothy Bayliff, Circulation Manager, and Clara H. Jones, Assistant Circulation Manager.

John Wooten, Activities Editor; Roger Webster, Art Editor; and Betsy McVey, typist, inspect the artwork which Roger is drawing for the yearbook.

THEY LEAD, WE FOLLOW

These students were selected from each home room to serve as representatives on the Student Council. They are left to right: Ernestine Longest, Robert Farrell, Melvin Paris, Margie Mann, Bernice Pruitt, Miss Gena Chruch, advisor, Douglas Bayliff, Mary C. Wrike, Lo Anne Burch, John Wooten, and Charles Belcher. Adrian Goins was absent when the picture was made.

The student body elected these officers to serve on the council for 1952-53. They are left to right: Joe Holt, Vice-President; Holt Hughes, Treasurer; Allen Jarmon, President; and James Crutchfield, Secretary. All important issues that come up in the school must go through the Student Council, and it helps the faculty and students to work together for the betterment of the school. The Student Council was responsible for editing and publishing a new handbook for the students this year. The Council sponsors the Homecoming game and dance held in the fall and College and Career Day.

THE "CRACKER" TELLS ALL

The Graham Cracker Staff has done a fine job editing and publishing our school paper, The Cracker. Our mimeographed paper is published every two weeks by the Senior English classes. Much credit should go to the typists who type and mimeograph the paper, to the editors who plan the assignments, and to the circulation staff that distributes the paper. The articles for the Graham Cracker cover the many activities in and about the school. Through the cooperation of the Seniors in the two English classes the staff has been able to put out a good paper which all the students enjoy reading.

Co-Editors Betsy Kirkman and Dorothy Bayliff are consulting with the advisors Mrs. Elizabeth Price and Mr. C. R. Benson about the next edition of the paper.

The Graham Cracker Staff members are Betsy McVey, Pete Core, Joe Holt, Jane Wrike, Frances Blackwelder, Dorothy Bayliff, Betty Rudd, James Michels, Billie Faye Welch, Phillip Davis, Betsy Kirkman, David Michael, Mary Lou Okey, Roger Webster and Pat Seamon.

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Graham High School. Their main project is promoting the White Christmas every year. The officers, left to right, are Miss Gena Church, Sponsor; Jane Wrike, President; Jimmy Michels, Treasurer; Virginia Moore, Vice-President; and Pat Seamon, Secretary.

Joe, you are on your way to the top of that ladder now. So keep the same pace and you will go far. "Yours is a good try"
Sandra Margie Brewer

Homecoming Queen-Jane Wrike
Crowned by Mrs. R. L. Hill

Maid of Honor-Mary Lou Okey
Escorted by Jerry Kivett

The Homecoming Activities were high lighted with a parade in which the queen, Jane Wrike, with escort, Tommy Fogleman, and her attendants, Mary Lou Okey and Jerry Kivett, appeared. During half-time ceremonies of the game between Graham and Oxford High School, Jane was crowned queen by Mrs. R. L. Hill, who was president of the Senior Class of 1927.

On May 9, 1952, the Junior Class honored the Senior Class with the annual Junior-Senior banquet. The decorations in the banquet hall carried out the class colors, lavender and white. After dining the couples went into the gym where in the center of the floor was a large Maypole tied with streamers of pastel shades..

Delightful music which was furnished by the Four Notes from Burlington was enjoyed throughout the evening. As their last selection they played "Goodnight Sweetheart," while everyone gathered around the Maypole to wind it. After this the couples started slowly drifting away in foursomes, reluctantly leaving an unforgettable event.

Soft music, dim lights, and a gaily decorted gym set the theme, "The Maypole, " for our Junior-Senior dance.

Our janitor, Paschal "Pat' Holmes, is always ready to greet the students with a smile. Answering calls, keeping the building warm, and making countless repair jobs are only a few of his duties. The efficient maids do a wonderful job of keeping the halls, rest rooms and class rooms clean and neat.

Below is a picture of some students at first lunch period. They are eagerly awaiting one of the nourishing meals prepared for them by the well experienced cooks under the direction of Mrs. J. F. Sherrard who can be seen in the background.

GIFTS TO TREASURE

Joe,
First let me say that you are one of the nicest and sweetest boys I have ever met. And I mean it too. I really didn't know you until this year but it has really been fun. I will really miss you next year. It will seem funny without out you. We have had some good times together. I hope this summer that you won't forget me, because I will never forget you. I have really enjoyed knowing you this short time. But I hope our friendship will not break up because you are leaving old G.H.S. You're sure are a lot of fun to be with. I'll never forget the night of Bill [illegible] party. I sure had a good time. We have had some good times in [illegible] too. It's going to seem and be lonesome around here. I know we have had some misunderstanding this year but I hope you will forgive me for it. I hope to see you this summer and if you are at the beach may be I'll see you. [illegible] you go off to college I will still be thinking of you. I still think you are one sweet boy, and really you are. Joe, I mean every thing I have written. Best of luck in every thing you go to do because you really deserve it. I'll be thinking of you always. Best wishes to a sweet guy.
Love always,
Jennette

Joe,

I sure hate to see this year come to an end but I hope it won't mean the end of our friendship. I want you to know I count it a real pleasure to have known the best all round boy in school. It certainly has been fun being in school with such a fine boy and I'll miss seeing you around next year.

I hope you have the very best of everything life offers & I'm looking forward to the day when you'll be ALL-AMERICAN from Florida State.

Good luck to a swell guy & friend.

Your pal,

John W.

Dear Joe,

I all know all that stuff they put in annuals. Well I guess that all true about you. It will be sort of lonesome around here next year without you. What will the football and basketball teams do without you. I know you'll succeed you're just bound too. Best of luck to a very cute and nice boy.

Love
Margie
"Twen"

Lightning,

These past two years have been the best possible. Joe, you + I have been the best of friends, we have been through some scraps, and good times that most boys do in a life time. I won't ever forget Asheville, Washington, the beach trip, and all the trips to Charlotte. We use all the time egging each other, but we never have any arguments. We will have more fun this Summer and especially the Florence trip. I have always considered you as my very best friend. I think + hope you feel the same toward me. In my opinion you are a "Damn Good Joe" that is the only way to express it

your Best friend
Sunshine

Joe,
This above all to thine own self be true
And it must follow, as the night the day,
Thou canst not then be false to any man.
Let us have wine and women, mirth and laughter,
Sermons and soda-water the day after
Man, being reasonable, must get drunk,
The best of life is but intoxication.
Best wishes, always.
Wilton Hawkins

Dear Joe,
Words can't express how much fun I've had with you this year.

Dear Joe
It has been a real pleasure coaching with you & I will never forget that strong cigar
Head Linesman

Joe. I can't begin to tell you how much I have enjoyed going to school with you. Joe you are the one of one and best of the best in sport. just keep up the fine playing which you are in college.

A Buddy Always
Tommy

P.S. It's been fun chasing up those wild throws this year, and hurry up and make that team.

Joe,

I sure Lane enjoyed going to school with you these many years. You're a swell guy, cute too! Don't ever forget French class. It was kind of boring at times, but we pulled through. That exam sure was hard! I just hope Mrs. Smith has pity on me so I can pass. Don't ever forget Washington when the water on the fourth floor starting coming out the windows and blamed it on the little boys. Lots of luck to ya, Joe. And may you have all the happiness that life has to offer. There's the bell!

Love ya!

Betsi
